# From the neighbor

Many farms, beekeepers, butchers, alpine huts, bakeries, etc. surround us. So it is the only right thing for us to get products from the „neighbor“ - from Vreni, from Meiri, from Willi etc.. - to obtain. We appreciate the personal exchange very much. The freshness and the quality of the products convince us. We also have understanding for product shortages or similar. We hope you do too?

## Meat

- Twingi Metzg, Meiri, Unteriberg.
- Dorfmetzg Schnidrig Just around the corner.
- Bäggli from happy little pigs from Switzerland.

## Cheese and dairy products

- Isätobel-Chäs, Alp Isentobel, SZ. Marty is a young cheesemaker, whom we know personally- Wisibärg-Chäs
- Anita Marty, a good friend, provides us with the finest cheese indulgence.
- Milchmanufaktur, Einsiedeln supplies us with fine fresh domestic dairy products

## Wines

- from various vintners from the shores of Lake Zurich.
- from different vintners from the Bündner Herrschaft.
- from Thurgau, where Chantal comes from.
- from the Einsiedeln monastery winery.
- from the southern valleys of Valais, Ticino and Puschlav.

We know the winegrowers and their wineries personally. We would be happy to tell you more about them.

## Bread and bakery products

- from the bakery Knobel, Altendorf
- from Chantal`s Etzel bakery

## Eggs and apple cider

- vom Vreni, Luegeten, Feusisberg - Cousin of Moni.
